

**60% Cabernet Sauvignon, 25% Merlot and 15% Cabernet Franc  
crisp and zippy Rosé that's defiantly proud and dry**

**100% direct press with overnight skin contact for 50% of grape musts  
refreshing and inviting notes of melons, strawberries and star anise**

**A very short maceration with the skins provides for a delicate, salmon color  
like the estate's Bordeaux Blanc, stainless steel is the vehicle for fermentation and élevage**

**Haut Rian will make your frig run better...perfect for do-drop-ins**

**Six years spent in Australia haven't cured owner Michel Dietrich's shyness...so much for the arrogant frog  
Michel Dietrich makes affordable wines we actually *like to drink!!!***

**From S to SE facing vineyards that face the River Garonne...“where the vines can see the water but won't get  
their feet wet” sourced mainly from the Premier Côtes de Bordeaux with supplements from Entre-Deux-Mers  
and Cadillac**

**Llocated in the town of Rions, the original intention was to name the winery Haut-Rion...but big brother Haut  
Brion said no**

**Outstanding with charcuterie, goat cheese, summer salads or simply as an aperitif...at its best with crab or  
spicy BBQ ribs!!!**
