EARL DOMINIQUE FERRET PROPRIÉTAIRE RÉCOLTANT
32330 GONDRIN - FRANCE

Dominique & Stephanie Ferret own and operate one of the most progressive estates in the Cote de Gascogne. Dominique inherited this property from his uncle and a young age, and its his driving ambition to make it one of the finest estates in the area. The winery is in Gondon, the center of Gascogne.

Investment in winery, Modern technology with stainless steel tanks allow them to produce a complete crop and bottle each order as received, so that their wine is always fresh, and has a long shelf life upon arrival. New investment in state of the art pressing equipment give them the flexibility to press each vineyard when its at the proper levels, and allows them not to have to worry about bottlenecks in the processing of grapes.

Using solar power, this winery with its large solar grid, is energy positive and makes more electricity that is needed. All the wines, Ferret, Guillman, or Cuvee Louis are bottled at the estate.

Over the last several years new plantings of Sauvignon Blanc, Chardonnay and Cabernet have increased the flavor profiles on the blends of all their wines.

The 2016 Rose is a Rose de Pressee, in that the grapes for this wine are produced entirely for Rose production. This release is a blend of 75% Cabernet Sauvignon and 25 % Merlot.
